Summer Reading for Rising 3rd Grade

Your child will then need to write a book report on the book they chose. They will need to provide a summary (beginning, middle, and end) of the book and also tell about their favorite part of the book. The book report should be written on loose-leaf paper. They will also create a cover for their report. The cover should have a student illustration of a favorite scene in the story, and include the title of the book, the author of the book, and the student's name. Students will bring the written report when they return to school in the fall. This will be the first assignment for third grade! Please encourage your child to read during the summer and help him/her to get off to a good start in third grade. Please choose from one of the books below.

Clementine by Sara Pennypacker

Ramona Quimby, Age 8 by Beverly Cleary
